The Vienna design brings you a beautiful home with style, elegance and practicality. You will be right at home with its four generous bedrooms, each with built-in robe's or provisions, the master room having its very own lovely WIR and modern ensuite.

The Vienna's stylish entry directs you through a lovely gallery to a fabulous entertaining area with the kitchen, dining and living opening out to a lovely potential alfresco area. If solitude is what you seek, then you will enjoy the separate lounge / theatre while others entertain in the family room.

Separate from the living space you will find the functional side of the house with a spacious laundry, and a bathroom and separate toilet to service the secondary bedrooms.
